## "In The Good Old Summertime"

### *Mattapoisett Museum Opens For Summer in July*

The Mattapoisett Museum and Carriage House will officially begin its summer season on Tuesday, July 5 at 1:00 pm. "The Good Old Summertime" is the title of the museum's special July exhibit, which focuses on the town's summertime activities of the past.

This appropriate subject remains inseparable from the spirit of Mattapoisett. As Mary Frances Briggs noted in the book *Mattapoisett and Old Rochester*: "A summer visitor once said that he could not imagine Mattapoisett in the winter. To think of it without the life and color, the yachts in the harbor, the summer verdure, and the summer girls, was quite impossible. Like the old enchanted city, Germelshausen, which had one day in a hundred years and then sank under the bogs and the marshes, it seemed to him that Mattapoisett must vanish from one season to another."

The staff invites everyone to come in and enjoy the exhibit and take a look at what past Mattapoisett residents did for summer activities at the turn of the century. The exhibit will include a beach scene, a lawn scene, lots of old photographs, playbills, concert programs, and the like. Remember those old wool bathing suits your grandparents wore? Well, some of them will be included in the exhibit ... so, do come and visit this original exhibit.

The museum is open from 1:00 to 4:30 pm on Tuesday through Saturday. Admission is \$2 for adults and 50 cents for children under 12.

Also, if you have any items that you could offer to the museum, please call Bette Roberts at 758-2844. Items needed include old bathing suits, bathing caps, slippers (early 1900's vintage), an old fishing pole, old golf clubs, old tennis racquets, man's straw hat (boater type), lady's straw picture hat, lawn croquet set, set of horseshoes and posts, any beach toys (old sand pails and shovels) ... or anything else you can think of that would fit into the theme of "In The Good Old Summertime."

*The Wanderer* will not be published on July 8, 1994 so that our staff may enjoy the July 4th holiday. Our next regular issue will be July 15.

Happy 4th of July!

### *ORR Student Violinist To Perform With Quartet*

For younger children, it's sometimes difficult to learn the discipline of practice. This is especially true of those hoping to master a musical instrument. But for some, honing that talent at a young age can eventually pay off.

One local student who has learned this firsthand is Nichole Beaudry of Mattapoisett, who now appreciates the value of her picking up the violin in second grade.

"I don't think it was the violin that first attracted me," she said. "I just wanted to play music ... and now I'm glad I stuck with it."

A junior at Old Rochester Regional High School, Nichole will be part of this summer's institute of String Quartets at Falmouth Academy. As part the newly-formed "Apprentice Program" at the Soundfest Chamber Music Festival, she will be joined by nineteen high school string players from other areas of Cape Cod. Five string quartets

have been formed with these talented students, who will spend two weeks under the tutelage of The Colorado Quartet, learning the art of playing Haydn, Beethoven and Dvorak.

"Haydn is one of my favorite composers, because he usually writes quartets where the violin carries the melody," Ms. Beaudry said. "Beethoven likes to switch to different instruments for the melody ... but Haydn doesn't."

It was Ms. Beaudry's teacher, Carol Sykes, who encouraged her to participate in this unique program. Since there is no violin teacher available in the immediate area, Nichole has been traveling to Falmouth for lessons ... and her teacher has been very supportive of her efforts.

"I finally auditioned back in April and I received a letter in the mail informing me that I had been selected for the program in May," Ms. Beaudry said. "I was very excited when I got the news ... I really enjoy playing in a quartet. It's much more personal than being part of a full string orchestra."

Although she enjoys playing classical works, Nichole tends to shy away from listening to classical music on a regular basis. "Most people just assume that I listen to classical music all the time," she said. "But I like to play classical more than I like listening to it. I pretty much like most popular music and modern styles."

Oddly enough, it is some of the more contemporary classical works which Nichole finds the most challenging. "Something like Bartok is a lot more challenging to me," she said. "Many of the classical composers follow a similar music pattern. But some of the more 'modern' classical music is very innovative."

A lifelong resident of Mattapoisett, Nichole has played in several orchestras, including the Greater Boston Youth Symphony Orchestra and the Southeastern Massachusetts District Orchestra, and is also a varsity cheerleader and member of the Drama Club at ORR High School. Nichole, whose father and grandfather are also musicians, seems most content when performing in some

capacity — either on stage or within a musical ensemble.

About to enter her senior year at ORR, Nichole plans to keep up her work with the ORR Drama Club, and is looking forward to making that all-important step toward college. "I still want to continue music in college, but not as my major," she said. "I'd like to major in Speech Pathology ... because I'd like to work with kids." Among the schools she's considering are the University of New Hampshire — which has both a solid music and speech program — and Loyola College, which also has a good speech program, but a somewhat weaker music curriculum.

Now, after years of following the age-old adage of "practice makes perfect," the only regret Nichole harbors is that she didn't start playing at an even earlier age. "Most kids start when they're four or five," she said. "I didn't start until I was in second grade. It's usually easier to learn an instrument when you're very young."

As a way of returning some of what she's learned, Nichole also plans to start offering violin lessons this summer to area students — giving them a convenient opportunity which she never had. Those interested in signing up for private lessons with Nichole can contact her at 758-6630.

In the meantime, Nichole Beaudry is sure to keep busy performing this summer with the apprenticeship quartet. "I'd like to keep up with my music as I get older, but I don't think I want to make a career out of it," she said. "For me, it's just something I enjoy doing."

You can catch Nichole with the Apprenticeship Program Quartet at Falmouth Academy on Friday, July 1, beginning at 7:00 pm. Tickets are \$5 at the door. For schedules, tickets, and further information about other Soundfest events, please call 457-9696 or 548-2290.

### Mattapoisett Selectmen's Meeting

June 28, 1994

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, June 28 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol Adams.

After approving the minutes of the June 21 and 23 meetings and the minutes of the Executive Session held on June 21, the board signed all the payrolls, bills, licenses, permits, and correspondence for the week. The board also approved an auctioneer's license for the Congregational Church Auction to be held on August 13, 1994; an auctioneer's license for Russell Johnson of 2 Main Street to be held on July 9, 1994; and appointed Courtlandt W. Piehler III of 43 North Street as a call firefighter with the town Fire Department.

At 7:00 pm, the board met with Harbormaster Steve Mach to discuss plans for a new dinghy dock at the town wharf. Mr. Mach noted that it had been suggested by Arthur McLean to make the dinghy dock a little longer than initially proposed to accommodate some 30 to 35 slips. "We've got about 150 to 200 names on a waiting list right now for dinghy space at the wharf," Mr. Mach said. "If push comes to shove, we could always offer spaces to out of towners, but I don't think we'd ever come to that."

The new proposed plan would call for the installation of a 100- to 120-foot finger pier along the right side of the existing short wharf. The new dinghy slips would be installed as extensions off this finger pier. "It would ride a little lower than the surface of the wharf, but about level with the asphalt surface," Mr. Mach said.

Mr. Mach estimated that it would cost about \$3,000 to \$3,500 to conduct and engineering study of the plan ... and the final project would probably cost something in the vicinity of \$20,000 to \$25,000.

"I have money available in the budget for the engineering of a new dinghy dock," Mr. Mach said. "I'm just looking for permission tonight to go ahead and have the study done."

Selectman Mahoney suggested that some money might also be available from the Waterfront Enterprise Fund to subsidize the project.

With that, the Board of Selectmen unanimously granted Mr. Mach permission to solicit and engineering plan for the project.

Chairman DeCosta then cited upcoming meetings throughout the week, including an Executive Session of the board which will be held on Wednesday, June 29 at 7:00 pm to discuss Police Negotiations, and a meeting of the Plymouth County Selectmen on Thursday, June 30 to which Chairman DeCosta will be attending.

Under incoming correspondence for the week, the board received a notice from Carol Ditata, General Manager at Continental Cablevision, informing the board that customers in town will be notified in their July bills that rates will not increase at this time. According to Ms. Ditata, in September the company will be making a one-time adjustment to customers' bills to comply with the Massachusetts Cable Television Commission's rate order on basic broadcast and equipment charges.

Police Chief James F. Moran sent a letter to the board praising the recent work of Town Mechanic John Bowman in repairing the town ambulance. Mr. Bowman was able to adjust the intake manifold gasket which was causing the vehicle to leak and burn oil. "I feel John did an outstanding job to repair the ambulance in what I feel was record time," Chief Moran wrote.

The board also received a copy of a letter from Building Inspector Andrew J. Bobola to Attorney Ralph K. Mulford regarding property at 12 Water Street (Romeo's Package Store). Mr. Mulford wrote to Mr. Bobola requesting information on converting the structure from its existing use as a package store into a single-family dwelling. Mr. Bobola noted several steps that would have to be taken in this process, including approval from the Board of Appeals for a variance relative to off-street parking; and a Building Permit and Occupancy Permit for the change of

Selectman Mahoney noted that the hearing slated for 7:30 pm with the Board of Assessors would be continued to next Tuesday, July 5 at 7:30 pm, as the Assessors had not yet certified the tax rate for the town. "We'll be considering any input from residents regarding the classification of the tax rate at that time," he said.

Mr. Mahoney also moved that all the information relative to last week's hearing on the complaint of Stephanie Florea (including the Executive Session minutes) be made public as the decision of the board had previously been made public via the media. The board unanimously approved the motion.

Selectman Mahoney also gave a copy of a memo to his fellow board members concerning the chain that has been placed between the two pillars at the entrance to Goodspeed Island with a combination padlock. As

per a decision of the board at last week's meeting, the narrow, 12-foot wide roadway is open only to authorized town vehicles and residents of the island. Pedestrians, however, are welcome to walk down the way.

The board was concerned about the safety of both children and other pedestrians as they walk down the narrow road to access the beach and island. Many vehicles have been known to speed down the road, and this will limit traffic to residents and town vehicles.

At 8:00 pm Clayton Hagy of the U.S. Coast Guard Auxiliary came before the board to discuss his being appointed as caretaker of the Ned's Point Lighthouse. Mr. Hagy noted that the Coast Guard has seen fit to appoint members of their Auxiliary to become caretakers of local lighthouses across the country, as the volunteer force is cost-effective.

"It's a 90-mile round trip from Woods Hole to Ned's Point for the Coast Guard," Mr. Hagy said. "I'm only one mile away and I can change a light bulb as easily as the next guy."

Mr. Hagy noted that he wanted to form a union with the Historical Society, but the Coast Guard would not allow any cooperative efforts of this kind. "I was hoping we could work hand-in-hand with the Historical Society so we could start a trust fund right away to help maintain the lighthouse ... but my efforts came to naught."

However, Mr. Hagy noted that orders had been given that he be the official caretaker of the lighthouse and, as such, he is in charge of replacing the lanterns, maintaining the historic structure, and escort tours. "The Coast Guard plans to keep the structure in A-1 shape," he said. "So, when people ask to tour the facility, I'm obliged to open it up for them."

As part of making such landmarks accessible to the public, the Coast Guard will be posting a sign outside the Ned's Point Lighthouse which reads: "Ned's Point Light, Adopted by the United States Coast Guard Auxiliary Flotilla IN-607. For information or tours, call 508-457-3324."

The Selectman thanked Mr. Hagy for his interest in the landmark and said they would look forward to a personal tour of the facility in the future.

At 8:20 pm the board recessed and unanimously voted to go into Executive Session to consider strategy relative to Collective Bargaining

### Marion Selectmen's Meeting

*June 28, 1994*

*By Bethany Morgan*

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, June 28 at 7:00 pm by Selectman Albert E. Winters. Also present were Selectman Jonathan "Jody" Dickerson, and Secretary Helene Craver. Chairman Loretta B. Schaefer was not present.

First on the agenda was a meeting with Bret Bokelkamp regarding this year's 4th of July Fireworks Fund. Mr. Bokelkamp presented the board with a check in the amount of \$385. This money was obtained through volunteer donations by town residents. Mr. Bokelkamp thanked the contributors and expressed his delight in being able to contribute: "It's one small step to meeting the goal (for the fireworks)." The board then thanked Mr. Bokelkamp and the contributors as Mr. Winters stated: "This is a nice way to begin a meeting."

The board then appointed Terri Trip to the Counsel on Aging with a term to expire in May of 1997.

Following the approval of the June 21 minutes of the board, Mr. Winters addressed the incoming correspondence for the week.

SRPEDD submitted correspondence congratulating Chairman Lori Schaefer on receiving the Chairman's Annual Service Award in recognition of her "faithful and honorable service to the SRPEDD Commission during the 1993-1994 term." Mr. Winters expressed regret that Ms. Schaefer was not present to receive this letter.

Jack and Nancy Fyock wrote the board expressing their support for a leash law and encouraged the board to consider action in this matter.

A letter of appreciation for work completed by the DPW was received from Sandy Prescott.

Marion McConnell, Executive Director for the Coalition for Buzzards Bay, wrote the board commenting on a recent article in *The Standard-Times* indicating the town's Environmental Report Card was affected by the reappointment of Barbara Burr. Ms. McConnell expressed that is not the case and that the grading process focused only on "town

board and interboard efforts to protect the local environment."

A memo from Albin Johnson III of the Board of Health was received requesting that "office space be provided as soon as space becomes available ... currently, the employees of the Board of Health are located in three different locations." Selectman Winters said that upon the return of Ms. Schaefer, they will "find a way to bring your activity together." Selectman Dickerson also suggested the board look into the operation of the Town House as a whole expressing the need to reorganize to increase efficiency of the hall's operation.

Hamel, Waxler, Allen, & Collins, P.C. notified the board that the Tremont Advent Campground Association has cancelled the first two weeks of youth camp this summer (July 10 through 23) due to the conditions of the grounds. Mr. Pickles said that he will be meeting with Town Counsel Thomas P. Crotty to determine the town's next course of

action regarding the incomplete work on the grounds. MPF Corporation, Mr. Pickles said, has not come to the site in some time and that correspondence relating to this issue dates back to April of this year. Selectman Winters commented that they are "trying to resolve this and will hopefully do so without litigation."

Notification was received from the Department of Revenue informing the board that \$2,110 for RMV Non-Renewal Surcharges was reduced in funding for the town.

The Conservation Commission Fee Hearing was postponed to July 19, pending a decision from Town Counsel and the Ethics Commission.

At 7:35 pm the board met with George T. J. Walker. Mr. Walker submitted the town's Community Action Statement for the board's approval. A six-member committee consisting of Mr. Walker of the Board of Health, Al Caron of SRPEDD, Board of Health member Al Johnson, Selectman Dickerson, Ray Pickles, and Lee Craver. The project, of which a copy will be kept on file for three years, outlines the needs of the town and will allow the town to apply for grant monies under the Small Cities Program. The needs include the modification of the treatment plant, an update for the Master Land Use Plan, improvements to the town infrastructure, the acquisition of real property, and affordable housing.

Working under a stringent two-week deadline, Lee Craver commented that the collaborative cooperation of the committee members is, "not the way government usually works. I'm pleased with the result."

Mr. Pickles wished to inform residents that the testing of saltwater beaches has continued and it has been determined that readings are well within the limits for safe recreational use.

Mr. Pickles also submitted a memo indicating the north landfill in south Carver will be closed effective July 1, 1994. Beginning July 1, residents with a valid sticker will be able to dispose of non-burnable bulky waste at the south landfill. "The following items will not be accepted: lead acid batteries, leaves, tires, white goods, aluminum containers, metal and glass containers and other yard waste, including brush and stumps. Vehicles disposing acceptable items must use a vehicle that is registered and permitted to the property owner. A \$65 per ton fee will be enforced for non-registered and permitted vehicles."

There being no other business to come before the board, a unanimous vote to adjourn at 7:50 pm was approved.

**Rochester Selectmen's Meeting****June 27, 1994**

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 27 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael C. Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the June 20 meeting with some minor corrections, the board met with David W. Mackley of Integrity Consulting and Louis Gallo of Gallo Construction Company, Inc. to discuss their plans for an Environmental Park facility in town.

"What we'd like to do tonight is present a concept piece in progress," said Mr. Mackley. "Mr. Gallo's company has purchased Lot #41 just north of Route 28 in Rochester and we're looking at establishing an Environmental Park which will receive hard-to-place materials and recycle them into usable materials."

Mr. Mackley and Mr. Gallo both noted that they've been researching similar facilities now in production, and the results are quite impressive. The facility would receive any non-hazardous, non-rubbish materials that can be easily processed — with an eye toward so-called "hard-to-place" items like construction and demolition debris, rubber and tire waste, and yard waste.

"Mr. Gallo would also like to offer an open invitation to the residents of town to ask what they'd like to see processed at the site," Mr. Mackley said.

Chairman Hughes asked whether the company would be amenable to hiring qualified Rochester residents to work at the facility, and if they would consider registering all the vehicles to be used at the site with the town. Mr. Hughes noted that these same questions were

asked of SEMASS when they first proposed locating their facility in Rochester. Both Mr. Mackley and Mr. Gallo agreed they would certainly want to hire local help and would also have no reservations about registering the vehicles with the town.

Knowing some of the past concerns of town residents, Mr. Mackley said he understands that there is a certain "ambivalence or distrust about business operations trying to locate in Rochester."

"We'd like to encourage and invite people to review and comment on our proposal," he said. "We are anxious to get their input and will consider their opinions. We're only interested in running a good, clean, and efficient operation. There are very few places in the

country which have taken this approach to recycling."

The board seemed impressed with the initial proposal and agreed to review the full package and offer any opinions and/or suggestions they might have.

"I think your concept is an excellent one," said Selectman Murphy. "The ideas you are proposing have become quite popular lately."

"I think it's good to offer a service like this to our local residents," agreed Chairman Hughes, "because there are many people who need a place to bring their recyclable materials."

At 7:30 pm the board met with Anthony Abraham, a representative of Bradford Estates, regarding placement of an article on the next Special Town Meeting warrant. Mr. Abraham presented an article which had been reviewed and approved by Attorney James Donnelly, Jr. to see if the town will vote to accept as public ways Bradford Lane and Annie's Way, both of which are part of the aforementioned subdivision.

After some discussion over whether the board needed to approve the article before placing it on the warrant, they finally decided that they only needed to approve acceptance of same for placement on the warrant. Members of the Planning Board were asked to be present at the Special Town Meeting on July 18 to answer any questions about the proposed article.

Christopher L. Johnson, Director of Administration of the Rodman Ride for Kids, asking the board's permission to allow the bike-a-thon to travel through town again this year in September. The board unanimously approved the request to allow the race to pass through Rochester on Saturday, September 17.

Marion Selectmen Chairman Loretta B. Schaefer next sent a request to the Rochester board to consider joining them in opposing a proposed ban on chlorofluorocarbons as discussed at their June 7 meeting. Ms. Schaefer asked that the Rochester delegation consider writing to their Senators and Representatives stressing their opposition. The board unanimously agreed to write letters to this effect.

Under the board's signature for the week, they unanimously approved the Sales Receipt for the new Council on Aging Van in the amount of \$20,000, not including handicap modifications which need to be made and the value of their current trade in. When Chairman Hughes asked if the board wished to trade-in the existing van, Selectman Murphy said he would rather offer it to one of the other town departments first, or put it out to bid. Selectman Murphy said he didn't think the value of the trade-in would be as much as if they sold the vehicle outright.

Chairman Hughes agreed to check into what the trade-in value would be before the board made a final decision in this matter.

The board then opened sealed bids which were solicited for interior work to be done at Town Hall, including renovations to the ceiling in the Selectmen's office, repair work in the Board of Assessors' office, and the replacement of the existing rest room. Three bids were received.

The first, from Bryan Sherman of Rochester, came in with a total price of \$1,289.70, although Selectman Hawkes noted that her figures added up to \$1,309.70. Roland Grenier, also of Rochester, bid a total \$1,980 for the job, including all electrical and plumbing work. The final bid came in from W. J. H. Building and Remodeling of New Bedford, which bid \$1,875 for the project, including all electrical and plumbing work, but not a new rest room.

Chairman Hughes asked that these bids be held over for one week as some clarification was needed on each before they made a final decision.

Chairman Hughes also noted that Town Clerk Naida L. Parker had informed them that Lilia M. Brewer of 140 Alley Road was determined to be the oldest living resident of the town and would be eligible to receive the Boston Post Cane. Ms. Brewer, who is 95 years old, now resides at the Island Terrace Nursing Home in Lakeville, but full-time residence is still listed at Rochester. The board agreed to make arrangements to present the Boston Post Cane to Ms. Brewer in person some time next month.

The board then unanimously signed and approved the warrant for the Special Town Meeting which will be held on July 18 at 7:30 pm at Memorial School. The warrant contains six articles for consideration.

Lastly, Selectmen unanimously approved to set the Salaries and Wages for town employees for 1995 as approved via the last Annual Town Meeting. Selectman Hawkes, however, had a question about if the town is required to pay an employee time and a half who currently works full-time for one department but also works part-time for another department.

According to Town Accountant Claudette Coutu, the town should not be required to do so under state law, but she suggested that the board contact Town Counsel and perhaps draw up an agreement to that effect so there

would be no confusion in the future. There are a few instances in town where full-time Highway Department employees also work for the Fire Department part-time, or as an EMT, and vice versa. Selectman Hawkes just wanted to clarify the town's position on this policy.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:30 pm.

To the Editor:

The Trustees and Director of the Joseph Plumb Library would like to thank all the friends and volunteers who made this year's book sale a great success. The book sale is a major fundraising event for the library, and it couldn't have happened without all of their hard work.

Special thanks go to Lois Gacek, Jackie Demers, and their families. They put in many hours sorting and lugging books, and did it with great enthusiasm. Thanks also to Mr. Ferreira and the students at Old Colony Regional Voke for their help on Saturday.

I, personally, would like to thank Trustee Eunice Jenkins, Anne Holbrook, and Liz Hathaway for their help, as well. To all the others (too numerous to mention), many thanks.

The Friends of the Library will have an ongoing sale of paperback books at the library throughout the year. Books will be available for 25 cents a piece, or 5 for \$1. All

### IMPROVEMENT CAN BE COSTLY

You can make a million mistakes trying to sell your home. And one of them is making the wrong improvements. Many times, an expensive addition or repair can be the kind of thing that'll cost you far more than you get back.

True, the house should present a favorable appearance - mowed lawn, trimmed shrubs, and no obvious indications of neglect, but it's rare when a large financial undertaking will bring more than its cost in the final selling price.

There is always the financial risk of miscalculation too.

Home repair costs frequently end up a lot higher than originally anticipated. You may end up with a fast sale and less inconvenience if you lower the selling price and equivalent amount.

Instead of guessing as to how much, if any, repair work to undertake, see a Realtor. He can tell you what to do to make your home more saleable. And what not to do so you won't lose money.

Call Bob at Fisher & Rocha, Inc., 758-6738 or stop in at our office at 17 Fairhaven Road, Mattapoisett.

## A good neighbor since 1847.

In today's uncertain world, it's rare that you can find a bank that's been around as long as we have.

It's reassuring to know that the same prudent, conservative approach to doing business and protecting your money that we've practiced since day one is still in effect.

That same approach will

continue to be our policy for the next 150 years, too.

As the old axiom goes, "If it ain't broke, don't fix it."

### Mattapoisett Senior Center

A center for the use of senior citizens and non-profit organizations was proposed by Evelyn Pursley to the Mattapoisett Selectmen at their meeting on May 17. At that time, the Selectmen agreed to appoint a committee of seven from the Town to assess the need for such a center, research funding sources, recommend site location, and investigate other area senior and community centers.

Those who would like to serve on this committee are requested to submit their names to Carol Adams, Executive Secretary, at the Town Hall at 758-4100. If you would like additional information or have any questions please call Carol Adams or the Council on Aging office at 758-4110.

## Plumb Memorial Library

### Ticket To Read Summer Program

Kids ages one through twelve are invited to join the fun at The Plumb Memorial Library starting Saturday, July 2. Registration for the Summer Reading Program will begin at 10:00 am.

In addition to receiving reading logs, kids will receive book marks, game sheets, and reading incentive prizes as they read throughout the summer. In keeping with this year's travel/transportation theme, kids will "travel" to different lands as they read during the six weeks of the program. For each book read, children can put their names into a raffle for special prizes, and each week of reading will be rewarded with a small prize. Any child who reads five books or more will be awarded a reading certificate signed by Governor William Weld.

Readers and their families will also be invited to attend special programs throughout the summer. Goodnight stories will be read on Monday nights at 6:30 pm. There will be crafts, guest speakers, and more. Some interesting vehicles will be visiting the library, including a fire truck and big earth moving equipment. Kids will design their own flags, and meet a real train conductor. At

Registration is required for all special programs, so call the library at 763-8600, or stop by during library hours and pick up a complete schedule of events. The library will be closed on Monday, July 4. The library's regular hours are Monday, 4:00 to 8:00 pm; Wednesday, 10:00 am to 5:00 pm; and Saturday, 10:00 am to 2:00 pm.

## Mattapoisett Town Clerk

### E-911

The E-911 Telephone Emergency System has the capability of identifying locations as having special needs for disabled persons (i.e. blind, deaf, or hard of hearing, on life support system, mobility impaired, speech impaired). Should you call for emergency services, the personnel responding would be aware of this special need at your address. To take advantage of this feature, you may complete the very simple request form available in the Town Clerk's office.

### Dogs

Mattapoisett's so-called "pooper scooper" by-law has been approved by the Attorney General's office and is now in effect. Please be reminded that all dogs must also be leashed when off the owner's premises. Fine for the first offense is \$10 and subsequent offenses are governed by G.L. c. 140, s. 173A.

### Dog Licenses

Town Clerk Lois K. Ennis reminds all dog owners that the \$10 per dog late fee is now in effect. This fee will be charged in addition to the normal license fees. Requests for licenses may be mailed to: P.O. Box 89, deposited in the

### Rides To Band Concerts

For the month of July the Marion COA is offering seniors transportation to the Monday evening Band Concerts at 7:30 pm. If you are interested in this please call the COA office at 748-3570.

### Summer Office Hours

The Council on Aging office will be open on Tuesday and Thursday only from July 11 to July 28. The hours will be 9:00 am to 1:00 pm. The SHINE Counselor will be available on Wednesday at 1:00 pm and appointments should be made by calling the office.

### Free Handicapped Equipment

Are you in need of a wheelchair, hospital bed, commode, or crutches? If so, come to the Marion Council on Aging office where this equipment and more is available on loan to all residents of any age. Before buying expensive, temporary health aids, check with the COA and ask about the loan closet.

### SHINE Counselor

If you are in need of information about health insurance coverage, SSI, Blue Cross, Medicare, and the like, call the COA office (748-3570) for an appointment with Margaret Reed, the Marion COA's SHINE Counselor. Ms. Reed will be available on Wednesday at 1:00 pm in the Marion Town House.

## Public to Sing With Choral Groups

Just for the joy of singing, the Sippican Choral Society and the New Bedford Choral Society invite all who would love a chance to try out their vocal chords on great music to sing along with them on four Monday evenings during the summer. The occasions are part of the choruses' Summer Sing program.

The Summer Sing concerts will be held on:

- Monday, July 11 at 7:30 pm — Schubert's "Mass in G" and Faure's "Requiem" at the Congregational Church Hall in Marion; directed by Bette Roberts, Director of the Mattapoisett Congregational Church Choir.

- Monday, July 25 at 7:30 pm — Rutter's "Gloria" and Thompson's "Frostiana" at the Congregational Church Hall in Marion; directed by Peter West.

The conductor will rehearse everyone present for about 45 minute and after a break with cool summer refreshments, the "pickup" chorus will sing straight through the selection. Admission is \$4 per person, and the impromptu concerts should be over by 10:00 pm.

While musical scores for all pieces will be available to borrow for the evening, those singers having their own scores are invited to bring them. Parking for the three concerts in Marion is available at the General Store parking lot on Front Street. For the concert at the Unitarian Church in New Bedford, parking is available behind the church on Eighth Street, or in the Citizen's Federal Credit

### ORR Track Fund Run/Walk

An ORR Track Fund Run/Walk will be held on Tuesday, July 19 beginning at 6:30 pm at ORR High School on Route 6 in Mattapoisett. The course will be a 5K (3.1 miles) cross country trek which starts and finishes on the track.

Registration is \$8 per applicant prior to the race day and \$10 on the day of the race. Applications will be available at local businesses and at both the Fairhaven and Mattapoisett Road Races. All proceeds will help build a new track for ORR's deserving athletes.

### Mattapoisett Wharf Dances

The 45th Annual Season of Square Dancing at the Mattapoisett Town Wharf will begin on Saturday, July 2. Dancing will be from 7:30 pm until 10:00 pm for the 1994 season. Dennis Marsh will be calling the first dance and Betty Leonard will be cueing. The first dance is sponsored by the American Legion Auxiliary.

All dances are open to the public at a cost of \$3 per dancer. The level is mostly mainstream. In the event of rain, dances are held at the Congregational Church, one block from the wharf. The public is welcome to attend. There is no charge for viewers.

The complete schedule for the 1994-1995 season is as follows:

- July 2 — Lori Morin (caller); Ella Bettencourt (cuer); American Legion (sponsor).
- July 9 — Jack Bright (caller); Howard Swanson (cuer); Machacam Club (sponsor).

### Mattapoisett Girl Scout Bridging

On June 3, 1994, girls from three levels of Girl Scouting crossed the bridge to the next highest level of scouting. The ceremony began with the presentation of our country's flag, the Daisey troop's banner, and the troop flags from four Brownie troops and two Junior troops under the direction of caller Andrea Kaner.

Following the introduction of all the troop leaders, each troop gave recognition to parents who had volunteered their time during the scout year. Community service volunteers Sarah Lake, Colleen Vieira, and Stacy Annuczyk were given roses and thanks for assisting on a weekly basis at two age levels. A very special thank you gift of mylar balloons was given to those Girl Scouts who shared their Moms' with other Girl Scouts in town. These special girls were Heather Bryant, Kerrin Souza, Britta Gingrass, Crystal Longworth, Cierra Bortney, Christine Hiller, Allison Koran, Katie Kocur, Brooke-Joy Antone, Alexandria Pike, Jacqueline Sager, Kimberly Wall, Elyse Palm, Rebecca Amoruso, Samantha Pike, Carly Nahigyan,

At the town wide ceremony which was held at the Mattapoisett Congregational Church, fourteen Daiseys became Brownies. When the Brownie ring was broken, 24 Third Grade Brownies received wings and became Junior Girl Scouts. Eight Sixth Grade Junior Scouts lit the symbolic candles to become cadettes. Following the bridging, the currently registered Girl Scouts circled the room and sang "Bless Our Friends." Then members of the audience who had previously been Girl Scouts were asked to join our goodnight circle. Approximately two-thirds of the audience joined in the singing of taps. The circle broke to share in refreshments and goodnights.

The club will hold its only fund raiser, a Mini Fair, on Saturday, August 13 from 9:00 am to 2:00 pm in the St. Anthony's Church Hall. Ms. Mary Bellotti is general chairman and Ms. Esther Fortin is honorary chairman.

## Marion Recreation Committee

### Summer Programs

Information and registration forms for swimming lessons, youth tennis lessons, youth street hockey, adult tennis lessons, adult sailing lessons, youth baseball camp, exercise on the beach, and youth sailing lessons are available at the town library or Marion Town House. All registration forms are to be sent to P.O. Box 539, Marion, MA 02738. No phone registrations will be accepted.

### Ladies Doubles Tennis League

The Marion Recreation Committee is sponsoring a Ladies Doubles Tennis League (just for the fun of it). Eight to twelve pairs will challenge each other over the summer. Winners will receive a new can of tennis balls from the losing team after each match. There is no other cost involved. Anyone interested in joining should call the director, Michelle Sampson, at 748-2710. If you do not have a partner, she will try to pair you with someone.

### Tennis Courts

The tennis courts behind the Town House and behind Sippican School and at Point Road playground are available for use by town residents. The Town House courts are closed to the public during the tennis clinic which will be held on Tuesday and Thursday mornings, and Monday and Wednesday evenings now through August 2.

## Massachusetts Boating Association

The MBA invites you to join its growing membership. Have a say in Marine Legislation, help moderate boat taxes, participate in boating education and what's new programs! The MBA is a non-profit organization concerned with all phases of boating. Individual and family memberships are \$10 a year. Business memberships are \$25 a year. To join or for further information, please write to: The Massachusetts Boating Association, P.O. Box 1035, Marion, MA 02738.

## Women's Community Guild

The Mattapoisett Women's Community Guild met at L'Auberge in Marion on Tuesday, June 7 at 12:00 noon for their annual meeting and luncheon. Officers and committees elected for 1994 are:

President - Miriam Moore; Vice President - (vacant); Secretary - Jane Welch; Treasurer - Priscilla Tinkham-Webster; Auditor - Helen Durfee; World Friendship - Phyllis Howes; Conference - Beverly Farwell; Teas - Gail Dunn; Program - Helen Richmond; Hospitality - Helen Whitcomb; Home Department - Florence Flower; and Membership - Marion Sears.

There will be no meetings or workshops held during July and August.

## ORR AFS Program

The ORR American Field Service (AFS) would like to place foreign students in homes in the ORR communities for the 1994-1995 academic year. Students placed by the American Field Service make a positive contribution to ORR High School, its communities, and their hosting families.

AFS students arrive in late summer and leave at the end of June the following year. Host families provide housing, food, and friendship. The student and the host family are supported by the ORR Chapter of the AFS, as well as the organization's local and national network.

If you are interested in learning more about this wonderful opportunity for your family, please call Richard Ellis or Claire Flynn at 758-3745.

## Memorial School Leadership Council

The Rochester Memorial School Leadership Council is hoping to include a senior citizen among its membership next year. Ms. Jean Fennell has served in this capacity during 1993-1994. We have truly appreciated her participation and input, but Jean finds that her busy schedule requires her to resign.

The council includes staff members, parents, administration, and two members of the community-at-large. They meet monthly on issues of school improvement and act in an advisory capacity to the principal. The major requirement is an interest in participating in discussion, planning and training related to the education of Rochester's children.

If you are interested in this voluntary position, please call Ms. Jean Beth McDonald, Principal, at 763-2049.

### Marion Art Center

#### Charles Parsons Exhibit

Recent paintings by Charles Parsons will be on display at the Marion Art Center July 1 through July 17. There will be a reception for members and guests to greet the artist on Friday, July 1 from 6:00 to 8:00 pm.

About one year ago, Dr. Parsons retired from a successful career as an orthopedic surgeon and decided to paint full-time. This exhibition marks the first year's accomplishments and includes some personal pieces of self-portraits as well as landscapes and still lifes. His favorite medium is watercolor. Charles Parsons has been painting the New England coast for the past twenty years. His style is, for the most part, romantic impressionist/representational.

Dr. Parsons is a graduate of Bucknell University and Temple University. He has studied and painted with

21 - 30 at the Marion Art Center has been cancelled due to circumstances beyond the MAC's control. However, "The No-Frills Revue" will be produced instead at that time. Details will follow at a later date.

**Summer Classes**

Summer Classes will begin the week of July 5. Young People's Theater classes will be held on Tuesday and Wednesday, (Grades 4 - 7) from 3:00 to 4:30 pm, July 5 - August 11. There will be a production on August 12 and 13. This is the seventh year that Jessica Shepardson has directed this popular program. A new theater class has been added this summer directed by Kitty Martin: *Theater for Teens* (Grades 8 - 12). Kitty recently directed MAC's production of "Reel Life" and has extensive theater training. This group will meet on Tuesday and Thursday, from 4:30 - 6:00 pm, July 5 - 11, with productions on August 12 and 13. The fee for 12 theater classes is \$105 for MAC members and \$115 for the general public. Space is limited.

**Dance Classes**

Dance Classes for adults and serious teens will be offered on Tuesday and Thursday from 6:15 to 7:30 pm with Kitty Martin as instructor. The fee for the classes, which will run from July 5 - August 11, will be \$7.50 per class (four week minimum). This program began in the spring and consists of ballet stretch and modern choreography ... a fun alternative to aerobics.

### Local Professor Publishes Book

Dr. James E. Marlow, a professor of English at UMass Dartmouth, has published *Charles Dickens: The Uses of Time* (Selinsgrove: Susquehanna University Press; London and Toronto: Associated University Press, 1994).

According to the publisher, Dr. Marlow's book "clarifies the antinomies that appear in Dickens' attitudes toward the past, present and future ... In his novels he developed a number of ways of dealing with the awful pasts, both personal and national. From denial to anger to acceptance, Dickens tried one method after another. As each failed to relieve his anguish, and even failed to rescue human feelings, he formulated another. This is what Marlow calls Dickens' 'dialectic of the past.'"

a successful innovator in science, mathematics, and engineering education by the National Science Foundation.

Dr. Caverly was among 250 NSF grant recipients to attend a recent conference which was dedicated to hastening reforms in undergraduate education nationwide. In addition to presenting his work on "A Laboratory-Oriented Approach to Undergraduate Analog CMOS VLSI Design Instruction," he moderated a session on "Publication/Dissemination on the Electronic Superhighway."

He developed a laboratory tutorial manual with an accompanying VLSI chip that covers many important topics in analog design. This "Analog CMOS VLSI Design Resource Kit" allows microsystem design educators to cover important analog design concepts in lecture and then immediately assign laboratory projects based on the material. Dr. Caverly designed the resource kit, including the chip, to be completely accessible via INTERNET.

### Marion Family Sails For Venezuela

Eric and Mary Pierce began to plan quite a while ago for their fourteen-month sail to Venezuela which will begin in July. Traveling with them will be their children: Eric (age 12), Matthew (age 10), Sarah (age 7), and Betsy (age 4). Realizing that they would need a good education for this endeavor, they signed up for the Mattapoisett Power Squadron's Public Boating Course and went on to join the Squadron and take the Seamanship, Piloting, and Advanced Piloting courses.

They will be sailing their Irwin 52-foot cutter-rigged ketch, "Ping" (named for the children's story about the little duck who ran away on adventures). "Ping" sleeps eight comfortably since she has an enormous main salon and three additional state rooms. She boasts two heads, tub and tub-shower, a washer and dryer, three separate refrigeration systems, generator, and a water-maker (by reverse osmosis). "Ping" will also carry two dinghies, one a roll-up inflatable with floor boards, the other a sailing dinghy. Also on board will be fishing lines and the guide book "From Hook To Table."

The Pierce family will depart in July of 1994 and will return in August of 1995. The plan is to arrive in Chesapeake Bay shortly after Labor Day when the crowds, bugs and nettles will have left but while the days are still warm. Then, on to Pamlico Sound (North Carolina) in October, and to be south of Georgia by Thanksgiving.

The Pierces will be keeping a journal of their voyage, and if you wish to live this once-in-a-lifetime vacation vicariously, you can by subscribing to their newsletter for \$10 per subscription. Please send your check to Mary Pierce, 606 Front Street, Marion, MA 02738. There will be 8-10 newsletters written at 4-6 week intervals and each one will be mailed to your address.

A powerful prayer to the Holy Spirit -  
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.  
Only your initials shall appear at the bottom. P.A.

## Stang Class of 1969 Reunion

Bishop Stang High School's Class of 1969 has a weekend of events planned for its 25th Reunion. The Reunion kicks off on Friday, July 22, with an Informal

Reunion Evening Gathering at 8:00 pm at the Eagle Restaurant on North Main Street in Fall River.

On Saturday, July 23, a Golf Outing will be held at the New Bedford Municipal Golf Course on Hathaway Road. Tee time is 12:00 noon and duffers are welcome. Later on July 23, the 25th Class Reunion will be held at Hawthorne Country Club in North Dartmouth. The evening commences at 6:30 pm with a social hour and "sitting" for a new class picture. A dinner buffet will begin at 7:30 pm, followed by dancing, visiting, and "catching up" with one another.

Sunday morning Mass will be celebrated at 11:00 am at the Bishop Stang Chapel. For further information or reservations, please contact the Alumni Office at 993-8959.

# DO IT YOURSELF?

You'll Have Only  
Yourself To Blame!

Installing a gas or electric water heater is a job for a licensed plumbing professional. Only your plumber can provide the expertise required to do the job right the first time and suggest the right water heater to give you years of trouble-free service and all the hot water you'll ever need.

We recommend energy efficient, versatile water heaters from Bradford White. They are the perfect choice for the value-conscious homeowner. Bradford White water heaters come with a 2-year parts warranty, the exclusive VITRAGLAS tank lining and your choice of a 5, 8, or 10-year product warranty. Bradford White and your licensed plumbing professional, the perfect combination for your peace of mind.
